Faith Statements

As a Lutheran Christian I believe that God created us which makes Him our father, that His son Jesus died for our sins so we can have eternal life if we believe in Him, and in the Holy Spirit which is a part of God that lives in everyone of us so he can guide us.

I believe that God created all things, earth, plants, animals, stars, humans, and the heavens. God put humans (Adam & Eve) on Earth to help maintain life. But humans were sinful which separates us from God.

I also believe that God sent a Savior to sacrifice himself for our sins so we can be closer to God. So God sent Jesus, His only son, to be our Savior. Jesus was like God on earth and was also man. Because of this, He was the perfect sacrifice. And by believing this, we get to go to heaven.

I even believe that God lives inside every one of us. After Jesus went to heaven, God sent the Holy Spirit to guide and teach us. I know that I have the Holy Spirit because I was baptized.

I believe that all these statements are true.
